We are pleased to announce that Art Office Shiobara, Tomio Koyama Gallery, MAKI Gallery, and rin art association will establish a gallery space in "Maebashi Galleria", which will open in Maebashi, Gunma Prefecture on May 6 (Sat). To celebrate its opening, we will hold a group exhibition named "Ceremony".

The works of the four artists including Miya Ando, who uses materials such as steel, aluminum, and wood to reflect the state of nature, Kengo Kito, who creates many large-scale installations using everyday, ready-to-use products, Makiko Kudo, who creates paintings that combine images of scenes seen in daily life and the world of dreams, and Vik Muniz, who uses diamonds, chocolates, and various other materials to create photographs of historical news reports and reproductions of art historical masterpieces, will color the new landscape born in Maebashi.
